

ALUMNI REPORT

Academic Year: 2025-2026

The Alumni Association of the College of Arts and Commerce (B.A. / B. Com) plays an important role in strengthening the bond between former students and the institution. The alumni contribute to the academic, professional, and personal development of current students through guidance and support.

Objectives of the Alumni Association:

- To maintain a lifelong relationship between alumni and the college
- To provide career guidance and motivation to current students
- To encourage alumni participation in academic and co-curricular activities
- To support institutional development through suggestions and initiatives

Alumni Activities:

During the academic year, the Alumni Association organized various activities such as: Alumni interaction sessions with B.A. and B. Com students

Career guidance and placement awareness programs

Guest lectures by distinguished alumni from commerce, arts, banking, education, and business fields
Sharing of professional experiences and success stories

Alumni Contributions:

Alumni members actively contributed by:

Guiding students about higher education and competitive examinations
Providing insights into employment opportunities in commerce, finance, administration, and arts-related fields
Entrepreneurs and professionals in private and public sectors
Their achievements bring pride and recognition to the institution.

Conclusion

The Alumni Association of the College of Arts and Commerce continues to be a valuable asset to the institution. Active participation of alumni helps in the overall growth of students and strengthens the reputation of the college. The college looks forward to continued support and cooperation from its alumni in the future.
